Dear Mr Dulles;

First of all I have read with
immense interest in
Sept. 5th in U.S. News and World Report
Mag. your speech before the U.S. House
of Foreign Wars in Detroit (Mich.)
Aug 22nd

I have shared with the County
Dept. of Public Schools in our County
asking them if he had read it. That
I stated that it should be care-
fully read all across America in
our Public Schools in classes of boys
and girls 14-15 years of age.

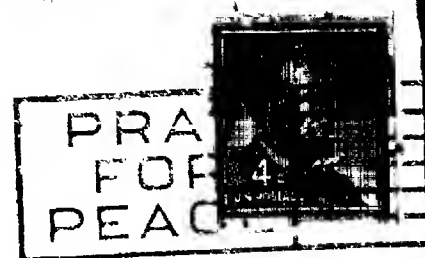

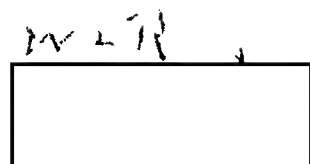

Then by an Expert they should be
allowed to ask questions and the
Communism & Slavery involved in
Communism brought out, it is an
ideal founded on force & fear.

Thanking you

Yours in the freedom for all

Men, but only attained for the future.
This age will also be a great one
since I have seen the future.
There are values eternal. Thank God Walter L. Reilly, D.
